November 9, 2023 - Afook-Chinen Civic Auditorium at Ho'olulu Park in Hilo

Aloha,

We are thrilled to announce that **Hawaii Construction Career Days (HCCD)** is returning to Hawaii Island after four long years! On **November 9**, this workforce development event designed to inspire the next generation of construction industry professionals will be held at **Afook-Chinen Civic Auditorium at Ho'olulu Park in Hilo**.

Since 2007, HCCD has created opportunities for Hawaii's public, private and charter high school students to explore the construction industry through hands-on activities, interactive exhibits, and challenging games presented by construction, engineering, and architecture firms; educational institutions; and trade apprenticeship programs. We have also provided opportunities for students to operate some of our industry's heavy equipment, such as backhoes, loaders, excavators, and scissor lifts.

These events are possible because of the generous support of our sponsors and donors. We would like to invite you to make a tax-deductible financial contribution to HCCD to show your support for Hawaii's youth, the future employees of our businesses. Your support will enable the HCCD to offer this event at no cost to students and teachers/chaperones.

Typically, we hold HCCD on Hawaii Island and Maui in the same year. Unfortunately, due to the devastating wildfires on Maui and the disruption and trauma they have caused, we have decided to postpone the HCCD event on Maui. However, HCCD is committed to supporting the community on Maui. **Any sponsorship funds we raise above and beyond what is needed for the Hawaii Island event will be donated to the Maui Strong Fund of the Hawaii Community Foundation.**

More information about our sponsorship opportunities and benefits is enclosed. If you have any questions, please contact HCCD President **Melanie Martin** at **(808) 220-6732** or **hawaiiiccd@gmail.com**. Thank you for your support. We look forward to seeing you this year on Hawaii Island for Hawaii Construction Career Days!
