PRODUCTION SPECIFICATIONS

Hawai'i Construction Career Days Guide is produced utilizing the latest in digital publishing technology. Finished publication-ready layouts can be accepted as e-mail attachments. Files must be Macintosh compatible. **We do not accept negatives, Microsoft Publisher files or PowerPoint files.**

The preferred file type is a 300-dpi PDF _x-1a, with all fonts and images embedded. Always include document bleed for full-page bleed ads and artwork. If sending a PDF isn't possible, we accept collected Adobe InDesign, Adobe Illustrator, Adobe Photoshop or QuarkX-

Press files. We also accept Freehand documents that are saved in EPS or PDF format. **For file types (except PDF), always include all native files, linked graphics and fonts (printer and screen) used.**

Materials submitted for in-house ad production, such as photographs, line art, and logos will reproduce best from original artwork (photographic prints or large, clean, vector line art). **Inferior quality originals will require production time – incurring extra charges and may not print to your satisfaction.** Macintosh-compatible digital files that are 300 dpi or better can be accepted.

Licensed Hawaii construction contractors are required by the state Department of Commerce & Consumer Affairs to include their Hawaii license numbers in all advertising. Please ensure this information is included when submitting ad copy or a camera ready ad.
